## About Us

Founded in 2016 in İzmir, Turkey, Brownies Food & Co. has specialized in premium **brownies, chocolate and desserts**. In 2019, we launched **B2B and B2C** sales via our e-commerce platform, and as demand grew, we relocated to a new 2,500 m<sup>2</sup> production facility. We began exporting our products to numerous European countries and diverse regions worldwide using our own distribution centers.

By 2025, with the expansion of our business, we established a new, state-of-the-art facility with **4,000 m<sup>2</sup>** of production space, fully equipped with advanced technology to strengthen our presence in the industry. Our facility is **FDA Registered, BRCGS Certified, and operates under Vegan and Halal standards**.

By 2025, with the expansion of our company, we established a new, state-of-the-art facility with **4,000 m<sup>2</sup> of production space**, fully equipped with advanced technology to strengthen our presence in the industry.

# Brownie Production Area

**At Brownies Food & Co.,** we carefully prepare each brownie with inspiration from our traditions. Every recipe is shaped by years of experience and craftsmanship, using only the finest ingredients to create an unparalleled taste. For us, a brownie is not just a dessert but a passion felt with every bite, a legacy we carry from the past to the present.

## Why Brownies Food & Co.?

Our work philosophy is based on quality. Our brownies are more than just a treat—they are an experience. Crafted with the finest ingredients, each bite delivers a perfect balance of rich chocolate and a soft, fudgy texture that melts in your mouth. We use only the best raw material and ingredients, ensuring a taste that is pure and irresistible. Every brownie is handled by our skilled bakers who pour their passion into every batch, ensuring consistency and perfection.

From classic chocolate to adventurous combinations, our selection caters to every palate, offering something new to discover with each bite. Baked fresh daily, our brownies are always at their peak flavor and texture, giving you the best possible experience. We use 100% real bitter chocolate and 100% hazelnut oil where we are also committed to using eco-friendly packaging for more sustainable practices.

# Our Service Channels

Our service channels are designed to cater to diverse needs, ensuring that everyone can enjoy our delicious brownies. With Global Shipping, we deliver fresh and secure orders to customers worldwide. Our Order Local service allows you to quickly enjoy fresh brownies from our shop. The Horeca service enriches restaurant and hotel menus with exclusive brownie selections, while Corporate Gifts offer memorable, brand-focused options for business partners and clients.

Through our Private Label Export services, we collaborate with key accounts, frozen food chains, and major retail networks to create tailor-made brownie and chocolate solutions that reflect their brand identity.

Across all our service channels, we remain committed to delivering exceptional quality, unmatched flavor, and the finest customer experience.

# Brownies Slices

## CLASSIC BROWNIE SLICE

Brownies Food & Co.'da her brownie, köklü geleneklerimizden ilham alarak sevgi ve özenle hazırlanır. Yılların deneyimi ve ustalığıyla ortaya çıkan tariflerimiz, sadece en kaliteli malzemelerle hayat bulur ve her ısırıkta unutulmaz bir lezzet deneyimi sunar. Bizim için brownie, basit bir tatlıdan öte; her lokmada hissedilen bir tutku, geçmişten günümüze taşıdığımız bir mirastır.

## Real Chocolate Brownie

Our recipes, blended with the purest form of chocolate, are baked in our ovens until they reach perfection. Without compromising our traditions, creating fresh and unique flavors every day is an art for us. Therefore, with every brownie, we share not only quality but also our love and effort.
